South African

EDUCATION

Tweeling Combined School

Jan 2008 – Dec 2020

Grade 1 – 12, Tweeling

Started school in Tweeling Combined School until I finished Matric, I was a member of the RCL group and finished at No.2 of the top achievers in our class.

Information Technology

Mar 2021 – Nov 2023

National Diploma

Central University of Technology, Bloemfontein

My love for programming started back in high school when I wrote my first HTML code, I fell in love with Mobile and Web development while studying the course. I also gained knowledge of using databases such as backends and Firebase databases. I have also worked with Oracle SQL Developer, creating, editing and modifying databases.

Information Technology

Feb 2024 – Present

Advanced Diploma

Central University of Technology, Bloemfontein

I am currently furthering my Advanced Diploma in Information Technology studies at the Central University of Technology, learning into depth about Server administration (Windows Server and Linux), Design patterns, Information Security, Game Development (Unity), Oracle SQL and going into depth about Operating Systems.

Experience

IT Project Manager

Aug 2023-Nov 2023

Bloemfontein, Central University of Technology

I was a project manager of our WIL project and lead my group to achieve 77% for our final mark. Creating a mobile and web application named Cloud Teach, which has features such as task manager, subject quiz and an AI chatbot. Our applications were connected to the same Firebase database.

IT Technician Intern

Aug 2024 - Present

Department of Education, Head Office

I am currently working as an IT technician intern at the Department of education, head office in Bloemfontein assisting in first line support, networking and server administration.
